Disclaimer

We have endeavoured to keep the information on this website up-to-date and accurate. However, you should not take any action in reliance on the information on this website and you should check its accuracy directly with us.

We may update and change our website from time to time and reserve the right to withdraw or suspend our website at any time for without notice. We do not guarantee that our website, or any content on it, will always be available or be uninterrupted.

You are responsible for ensuring that all persons who access our website through your internet connection are aware of these terms of use and other applicable terms and conditions, and that they comply with them.

We do not guarantee that our website will be secure or free from bugs or viruses. You are responsible for configuring your information technology, computer programmes and platform to access our website. You should use your own virus protection software.

You must not misuse our website by knowingly introducing viruses, trojans, worms, logic bombs or other material that is malicious or technologically harmful. You must not attempt to gain unauthorised access to our website, the server on which our website is stored or any server, computer or database connected to our website. You must not attack our website via a denial-of-service attack or a distributed denial-of service attack. By breaching this provision, you would commit a criminal offence under the Computer Misuse Act 1990. We will report any such breach to the relevant law enforcement authorities and we will co-operate with those authorities by disclosing your identity to them. In the event of such a breach, your right to use our site will cease immediately.

To the extent permitted by law, AP Filtration does not accept any liability for any direct, indirect, special, consequential, or other losses or damages of any kind arising out of access to or use of this website, or any information contained in this website.
